

The Latymer School

Sixth Form Open Evening for New Applicants

Thursday 6th November 2025
5pm – 7pm

This programme contains the following information:

Page 2	Welcome and general information
Page 3	A Level results for 2024 and 2025
Pages 4/5	Map of the school
Pages 6/7	Timetable for the evening
Page 8	Options Timeline
Page 9	External Applicants entry reminder

Welcome and general information

The Latymer School Sixth Form is a highly successful and rewarding place to study. Whether continuing as a Latymer student after GCSEs or joining us from a different school, our aim is to make sure that students feel well supported, highly motivated, academically challenged and well-equipped for the next stages in their academic journey. We also want our students to feel confident and considerate, retaining a strong sense of personal identity and independence. This is why it is important that our Sixth Form students are a key part of school life and are given opportunities to lead and shape Latymer.

Undoubtedly, our students have a history of achieving high academic standards with approximately thirty of our students achieving places at the University of Oxford or the University of Cambridge each year. Moreover, many of our students gain places on medicine, dentistry and veterinary science courses or on courses related to mathematics and science. However, we are also proud that many of our students also gain places on courses related to the arts, humanities, law, languages and social sciences, highlighting the varied subject areas our students progress onto.

Approximately 80% of our students achieve places at Russell Group universities with many others achieving places on other excellent courses both in the UK and abroad, including prestigious apprenticeships. All of this is achieved through the expert support provided for our students by our skilled staff who are committed and supportive in ensuring all can achieve.

We are proud of our Sixth Form students and hope that you will choose to study your A-levels with us. For more information, please check

www.latymer.co.uk/north-london-grammar-school-admissions/sixth-form/2026

General Information

Subject specialists are giving details of the courses offered in the Sixth Form in the venues indicated inside this programme. Some subjects will deliver specific scheduled presentations, whereas others will provide opportunities for discussing the subject with relevant staff.

Mr Gilford (Headteacher), Mr Wakefield (Deputy Head – Sixth Form), Mr Grassick (Deputy Head – Curriculum) and Sixth Form Heads of Learning will be available in the Small Hall throughout the evening to answer any individual questions.

A Level RESULTS ACHIEVED BY YEAR GROUP 13

First Floor

Timetable

	Venue	Times
General Information Session	Great Hall	6.00p.m.
Maths / Economics presentations	Great Hall	Maths 5.05 p.m. Economics 5.30 p.m. Maths 6.25 p.m.
Science presentations	Seward Studio	Biology 5.05 p.m. Chemistry 5.25 p.m. Physics 6.45 p.m.
Individual questions throughout the evening to Senior Staff	Small Hall	5.00 p.m. – 7.00 p.m.
Subject presentations and consultations	See Timetable 'Subject Locations & Presentations'	Each subject will deliver a presentation or discussion in the room shown on the subject timetable 5.00 p.m. to 7.00 p.m.

To avoid disruption please do not walk in and out of timetabled presentations - the evening is a very busy one, so please be considerate, and patient, as you move around the school.

Refreshments will be available in the Small Hall throughout the evening, where there will be a programme of live music played, and 6th Form students will answer questions.

Subject locations and presentations

Timetabled Presentations (P) and Consultations (C)

In these sessions the subject specialist will give details of:

- the syllabus taught, its demands and controlled assessment
- the teaching methodology
- pre-requirements of a course
- student perceptions of the course

There will also be an opportunity to ask Latymer staff and student questions about courses

Timeline for the Application Process

New applicants
Friday 28th November 2025, 4pm: Closing date for applications (online)
Friday 19th December 2025: notification of test time will be sent out by this date
Saturday 10th January 2026: Sixth Form assessment test for Science / Maths applicants
End of March 2026: Conditional offers made
Thursday 20th August 2026 (GSCE results day) : Complete the online form on results day to confirm that you have met the requirements to take up your place by 12.00p.m. on Friday 21st August 2026

Reminder to new applicants

Latymer is a selective grammar school. Applicants for Year 12 are tested and the school admits those with the highest scores who meet the minimum GCSE requirements. The minimum GCSE requirements are: (1) at least numerical grade 7 in the subjects they wish to study in the Sixth Form; and (2) at least 6 numerical grade 7's overall at GCSE.

Tests are administered in the Spring Term **for applicants wishing to study any of Mathematics, Biology, Chemistry or Physics**. Provisional offers are made to applicants with the highest score in the test (except that subject choices may mean that some subjects become full and further places cannot be offered to applicants seeking to study those subjects). If you do not sit the test you will not be allowed to study these subjects at Latymer and therefore if an applicant is considering them as possible options they should sit the test. The offer is provisional and becomes a full offer only if the applicant's GCSE grades meet the minimum GCSE requirements. (6 numerical grade 7's in full GCSEs and numerical grade 7 in each subject to be studied, where applicable) Applicants who are new to the school must have their main address in the Inner Area. (see Notes section in our current admissions procedures document).

Any applicant wishing to study subjects that do not include any of the subjects above does not have to sit the test to get a conditional offer. If there is capacity in the subjects requested the decision to make a conditional offer will be based on mock exam results and predicted grades from an applicant's current school. An applicant will not be allowed to switch to the subjects requiring the test if they haven't sat the test on the date advertised for entry in that year. There will not be an opportunity to sit the test at a later date. The offer is provisional and becomes a full offer only if the applicant's GCSE grades meet the minimum GCSE requirements outlined above.

**The link to the registration form is available on the school website under:
Admissions – Sixth Form Admissions – 2026 Admissions**

www.latymer.co.uk/north-london-grammar-school-admissions/sixth-form/2026

**These should be completed and submitted online by 4pm on
Friday 28th November 2025.**

If you have any questions, please email sixthformadmissions@latymer.co.uk
